

To whom it may concern:

The Driven Race and Club Solutions, LLC is a sports technology company with a focus in event registration and ticketing software. The Driven is a USA based company and is looking to do business in the India/Asia regions.

We are requesting approval of our PAN and GST I.D.'s in order to be recognized properly in India and have the means of filing the proper tax returns.

Thank you for your attention to this matter.

Sincerely,

Patrick Riordan
