Limerick Contest Winners: 1. Jack Lippincott 2. Kelly Jelly Belly Kerlick 3. Mike Mangan.

Jack's Limerick: There once was a runner named John, He liked to hang out and have fun, The ladies would kiss him, We're all going to miss him, He was here a long time now he's gone.

Kelly's Limerick: There once was a group PIM called "GU",. Coached by Dr. Bob, Felix and Esme too, Speedwork they entailed, In the end they prevailed, Now they can relax and drink brew!

Mike's Limerick I have run many different style races. And did them at various paces, But the LP Run, Has been the most fun, For a change I am seeing folks' faces!
