## LP Run 2013 Limericks

By: Jack Lippincott WE STAND WITH BOSTON

A bunch of strong runners from Austin
Spent the last year training for Boston
Then tragedy struck; and,

They ran out of luck;
But, know what that ordeal's really costin' ...
$2^{\text {nd }}$ By: Sarah Hazel

Why am I here? I don't know!

To run 'round the track, I will go
You don't have to ask

I will not run fast

I'm expecting this race will be slow.

By: Lorelei d'lareza

Susan, my friend, loves each creature

From the ant to the wide-eyed owl screecher
She walks mile after mile

Shining her light with a smile

If you need anything - just beseech her.

By: JoAnn Luco

The runners will never forget

Approaching the finish line, and yet

The joy that was shattered

And what really mattered
Being safe and all the love they can get.
$1^{\text {st }} \mathrm{By}:$ JoAnn Luco
We will always remember that day

The one only two days away

The most famous run

Takes place in Boston

Never again will it finish that way.
