Sorry for the delay in posting. Lots of 4th of July activities.

Thanks to everyone who came out the Kelly Park for the 1st Annual Merritt Island Midsummer Night Marathon (there will definitely be a 2nd next year!)

We had 20 people out, 15 running some portion of the race. 6 people chose to run 15.72mi including Amy Paroline who ran a personal best at that distance.

4 people finished the full 26.2 led by Daddy Ultra Runs owner, Hernan Garcia with a time of 4:04:22. Congrats! Jason Dowdell and David Metcalf finished together in 4:50:01. Great job for your first marathon Jason. Fiona Wright finished in 5:49:07 and has now run all 4 Brevard County marathons! Thanks to all for participating and particularly to our hearty volunteers who helped with setup, clean-up and moral support during the long, late hours.

If anyone would still like to contribute to our UCF Haiti projects to redevelop education and healthcare, please send a check made out to UCF Research Foundation with a note specifying the Emerging Market Development Fund to: David Metcalf, 3100 Technology Parkway, Orlando, FL 32826.

Thanks,
-David
