

## Badgerland Strider Members

### How To: Access Membership Card

From time to time, members may need to show proof of their membership in order to obtain benefits. Members can access their card at any time through the website. Please review the instructions below for assistance.

1. Go to the website: <https://badgerlandstriders.org/>
2. Login using your membership credentials:

The login form consists of two rows of input fields. Each row has a red button on the left with the label 'Username' and 'Password' respectively, followed by a dotted line and a white input box with a red border containing the placeholder text 'Username' and 'Password'. Below these are three red buttons labeled 'Join', 'Renew', and 'Login'. At the bottom right, there is a red link that says 'Forgot Username/Password?'.

3. Go to "My Account"
