## A Marathon FromThe Other Side by Jack Hayes

There are two sides to a marathon. One is running it and the other is being a volunteer. Unfortunately, too many runners have never been on the other side of the Water Table as a volunteer. Until you have been, you aren't a real runner.

There are those of us that bitch at the people handing out the water because it just didn't go like you wanted it to when you went to grab your cup. Then there are those that are just plain rude to the volunteers. "Why," may I ask? Without those volunteers your race would be almost impossible. Try saying "Thanks for being here" the next time that you grab that all important cup of liquid.

My family, friends, and I have enjoyed working the water station at Hooters (23 mile mark on the return of the Jacksonville Marathon) for many years. This year was one of those that made us ask ourselves, "Why are we out here in this cold and pouring rain at this ungodly hour?" The answer is that we care and want to give back to those that have helped us along the way at a water station during our runs.

When we arrived at the water station at 6:00 am we

were happy to see two total strangers there to help us. The two of them told us that they had just run the Chicago Marathon. My question to them was how did they get involved as volunteers. The response was amazing. They said that when they finished their marathon they decided that they wanted to do a water station to help other runners. They contacted 1st Place sports to volunteer and, by luck, Doug assigned them to help us. This was the first time that either of them had worked a water station. Please remember their names: Apoorva Vashi, a doctor, and Stephen Ossi, a medical salesman. They are both very nice and friendly people. Those of you that ran the marathon may remember Steve. He was the one on the bridge by Hooters cheering you on just before our water station.

To my delight, the overwhelming majority of the runners in this year's Jacksonville Marathon were very cordial and expressed a sincere thanks for our being there.

As I have said before, you get a real picture of what it is like to run a marathon when you are "on the other side."

## **FEBRUARY DINNER MEETING**

**Thursday, February 26th 6:30 PM**

*The Reservations are streaming in for the Dinner Meeting at the Busch Hospitality Center with Donna Hicken as our speaker. This is going to be an excellent event. Please see Page 7 for details. Please register now to make sure you get a seat. We do NOT want to miss you.*

# Board of Directors' Minutes, January 13, 2004

Hardie Alexander called the meeting to order at 7:10 PM. Directors absent: F. Sutman, J. Nolan, B. Dunn, S. Bruce. Rebecca Brown and Tanys Carere also attended. The previous meeting minutes were approved as written.

**Treasurer's report:** The January treasurer's report was distributed and filed as written.

## **Race committee update:**

**Run to the Sun** – Rebecca Brown distributed the proposed race budget along with a detailed race checklist for the board to review. Planning is on track - permission to use OPKC has been cleared, race has been registered with Road ID and with RRCA as the 8 km state championship. Coordinators are needed for various volunteer positions.

**Memorial Day** – Nothing new. Still looking for additional sponsorship but planning is on track.

**Autumn Fitness** – Hardie reported there has been discussion about making it an evening race. OPKC must be contacted first to see if this is a possibility.

**Hog Jog** – Nothing to report.

**Old Jennings State Forest trails:** Hardie received an email from a member with the suggestion of adding these trails to the list of our runs. Directions will be posted in the Strideright. JD volunteered to do some reconnaissance and check out the trail's facilities.

**Website and Website contest:** Mike Mayse is going to be a judge for the website contest.

**Equipment:** JD has the bullhorn, Lil has the first aid kit and the clock is on loan for Jessica's Run if anyone is looking for these items.

**Guest speakers:** Donna Hicken is speaking at February's dinner social. A motion was voted on and passed for our club to donate \$150 to the Hicken foundation. John P. received an email from a club member suggesting a speaker who specializes in biomechanics for the next quarter.

**Open Forum:** There was a question regarding the definition of 'quorum' – per our bylaws it is one-half of the board members or more. As the new merchandise coordinator, George H. will approach OP businesses for embroidery estimates. Dottie suggested trying to organize out of town socials when several members travel to the same race.

**Fun run accounting:** Bob B. suggested that we extract Fun Run line items in our budget from the race totals and account for the Fun Run separately. He suggested we

keep track of both actual numbers and forecast and will work with Steve B. on how to implement it. This way club members and potential sponsors will be able to see exactly how much the club spends on kid's running.

**Super Bowl sports event:** John P. is at a meeting regarding this event and will report back to us. The board will discuss this at February's meeting.

**Peachtree City Running Club:** The president of the club, George Martin, asked if it would be OK to bring several members of their club to the Strider tent at the River Run. The board felt it would be fine and suggested their club bring some food/beverages (beer).

**2004 Board nominating committee update:** Bob distributed a list of 13 confirmed board members for next year. The committee is still working on finding and/or confirming the 7 additional members needed.

**Picnic-March meeting dates:** The picnic will be held on Sunday, March 7th at a location to be determined. The first board meeting with the new board will be on Tuesday, March 9th.

## **Social schedule:**

February 26th - Donna Hicken at the Busch brewery

March 7th - picnic

April is up in the air.

The meeting was adjourned at 8:45 PM. Next month's meeting will be February 10th at the library.

Respectfully submitted,  
Karin Glenn

## **Strider Discounts!**

We have enjoyed a 10% merchandise discounts from 1st Place Sports (Baymeadows, Jacksonville Beach and now Orange Park (Wells Road about a 1/2 mile off 17 near the Loop) for many years.

A new Fitness Store in Orange Park, The Starting Line, has opened on Kingsley (about 1/2 mile from U.S. 17) and is offering Strider members a 15% discount.)

Thanks to both for their support!

## Strider Spotlight on Vicky Connell by Bob Boyd

You may have enjoyed some Sunday runs or races with Vicky, one of our relatively new Striders, but I think you will find a few surprises in this month's Strider Spotlight. Read on!

**Background:** Vicky is the daughter of a Baptist Minister and they moved around considerably, mostly in Florida and California, while she was growing up. They settled in Central Florida. She

left college with a Bachelor's degree in Music Education (a Major in Voice, but also plays piano and guitar) before doing a three year tour with the Army in Germany. She not only met her husband there, Jim, but also became an active runner while stationed in Germany, doing her first marathon there in 1984. A high school swimmer, she has had particular success as a Triathlon competitor. She then joined the Reserves while Jim stayed on Active Duty until retiring five years ago in Jacksonville. They have two beautiful daughters, Tori in the 9th grade (I have to add that Tori has finished 2nd in her age group at the River Run the last two years – very impressive!) and Marissa in the 4th. Vicky is currently a Lt. Colonel in the Army Reserve, Commander of a Logistics Support Battalion.

**Running:** After the tour in Germany, some California Triathlons, and probably most significant, the birth of her Tori, running was pretty much on hold other than some River Runs until 2003 when she began running and racing regularly. She completed the 2003 Jacksonville Marathon, but was disappointed with her time, where she went out too fast. (It's not too shabby when your 2nd marathon, 20 years later, is faster than your first!)

**Training:** Does weights and abdominals M-W-F. Runs three to four times a week with a long run on Sunday and one day of speed work. She followed Hal Higdon's Marathon training schedule. In a recent Battalion competition she placed 2nd overall in a combination of pushups, situps, jump rope, biking, sand bag carry, and the bench press. I do not mean 2nd overall women or a sex adjusted handicap system. I mean she competed directly against the men, won the jump rope and was 2nd in every other category! Her training is working well!

**Why Does She Run:** Vicky shared that she really likes being in shape, the extra energy she has as a result, and the reduced need for sleep. It doesn't hurt that people notice you are in shape either.

**Goals:** Wants to enjoy a top three finish in her age group sometime in 2004 and stay uninjured. She's been close a time or two in 2003. Vicky WILL NOT let the disappointing marathon result detract from her running. I would bet she makes that goal!

## Gate River Run Training Classes

Shands Jacksonville and the YMCA have teamed up to offer training classes (at no charge) to help people get ready for the Gate River Run. These classes were offered in the 4th Quarter of 2003 but in different locations. How often do you really get a second chance? The information provided is excellent for your general training, from 5K to Marathon. I suspect even the most veteran of runners would pick up useful information. The Skinner YMCA is located at **5100 Belfort Road, Jacksonville, on the Southside, 332-0665**, and the Winston YMCA is located at **170 Landrum Lane, Ponte Vedra Beach, 543-9622**.

# We Get A Lead On A New Trail Run

The trail description below is new to many of us, but clearly not to Randy Lefko of Middleburg, who was kind enough to send us the following: "... I'm a long time runner in the area, and was looking at the website training run sites and wondering why your club doesn't have the Old Jennings State Forest Trails on there. If one drives down Old Jennings Rd from Blanding about 8 miles to Live Oak Rd (a dirt road to the right), go about 1.5 miles to a State Park parking area. There are four very nice and sand covered trails going from one, five, eight, and sixteen

miles. They are all well marked and manicured trails with very little traffic, save for an occasion horse or fox. ..." I had a chance to talk with Randy and there is potable water out yonder at the parking area. The nearest bathroom for this new park is a nearby Chevron station. Sounds like a great running alternative! Thanks for the tip Randy.

JD Smith, our Equipment Manager, was kind enough to find the map shown below to help any of our readers with a yen for trail running. Thanks JD!

## \*\*\*February Dinner Social... Thursday February 26, 2004...Guest Speaker: Donna Hicken, First Coast News Anchor\*\*\*

Donna Hicken is a Jacksonville native and has been a broadcast journalist here since 1988. She has been a competitive runner for many years. Donna most recently ran the 2003 Chicago Marathon. This was a tremendous achievement since she is recovering from her second bout with breast cancer. Come out and hear Donna's remarkable story of chemo and courage, and how running played an important role in her treatment and recovery.

**Menu:** Barbeque Buffet with the trimmings, dessert, and complimentary beer and soft drinks. By popular demand (and mostly because she is generous enough to spoil us once again) Sherri Alexander will be making a fine assortment of her wonderful desserts. The buffet will be great but DO save room for the best part of the meal, Sherri's desserts. Social half-hour begins at 6:00 p.m. with dinner being served by 7:00 p.m.

**Cost:** \$10 per Strider, or \$12 for non-members.

## Fun for the Whole Family at the Strider Annual Picnic - Sunday, March 7th!

Mark your calendars now for Sunday March 7, 2004 at 1:00 PM and come to the St. Johns Country Day School off Doctors Lake Drive (about 2.5 miles from Kingsley) in Orange Park. This event is complimentary for all Florida Striders and their guests and is always a good time. Here's the plan:

1:00 PM: Arrive, park, drop off your covered dish, set up your favorite folding furniture (there will be lots of picnic tables there) and get ready for a good time.

1:15 PM: Hash Run! This year's activities include the return of the famous adult HASH RUN...an adventure run featuring a hare (the leader), flour (to mark the course,) twists and turns, and the unexpected. Race to start at 1:15pm. Come prepared for a running escapade! Other adult activities will include basketball and volleyball.

1:30 PM until ...: Good Food! Hamburgers, hot dogs, and garden burgers with all the trimmings will be provided by the club, along with beverages. The most deli-

cious part of these picnics are the covered dishes brought by the many excellent cooks and bakers in the club. Please bring a dish to share and some comfy chairs to sit on. We will begin eating at 1:30.

2:15 PM: Election of the Board of Directors: We have a full slate of nominees for the new Strider Board of Directors (please see the biographies provided beginning on page 6) which require your approval following lunch. The election should start about 2:15. We keep the business portion brief.

2:30 PM: Fun for the Kids! Planned activities include a Fun Run and organized games

For more information or to volunteer at the picnic, please contact Lillian Lawless, Vanessa Boyd, Dottie Cahill, Tanys Carere or Karin Glenn. Their numbers and emails are listed on Page 3 under "Board of Directors & Key Members."

# MILE MARKER MUSINGS By Robert Glenn

Hope your 2004's are off to a good start. Keep a weather eye open for the date and time of our annual Strider picnic in March. We'll be doing the new Board of Directors election, eating some good food, and probably imbibing some adult beverages. On to the races.

The **Last Gasp 5 Mile Cross Country RRCA Florida State Championship** was held at Jacksonville University on the 28th of December. **Frank Sutman** was

our top male Strider and the Masters Male champion with a 34:03. **Kathy Murray** was our fastest female Strider and 5th overall female with a 43:03. **Patrick Gaughan, Patti Smith, and Claudia French** also placed first in their respective age groups. Nice running. Some lamentations were heard post race

I know that running and volunteering to work in club races are potentially hazardous activities. I should not enter and run in club activities unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the run. I assume all risks associated with running and volunteering to work club races including, but not limited to, falls, contact with other participants, the effects of the weather, including high heat and/or humidity, the conditions of the road or the traffic on the course, all such risks being known and appreciated by me. Having read this waiver and knowing these facts, and in consideration of your acceptance of my application for membership, I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, The Florida Striders Track Club, and all sponsors, their representatives and successors from all claims and liabilities of any kind arising out of my participation in these club activities, even though that liabilities may arise out of negligence or carelessness on the part of the persons named in this waiver. ## Mile Marker Musings (continued from page 13)

about that dying breed of race, the over the hill and dale cross country race. The largest age group was men over 60, not the best sign of a healthy and growing discipline. Not having been at the race myself, I don't presume to preach from the mount. The Striders are doing our part putting on the Hog Jog in November each year but attendance isn't the same as it is for the road races. Maybe our flat Florida terrain doesn't lend itself to fun cross country races or people don't like their expensive running shoes to get dirty. I don't have the answers but it is sad to see something as rewarding and fun as cross country dying the death of neglect.

Next up on the agenda is the **Vystar Gator Bowl 5K** held at the Jacksonville Landing on the last day of 2003. **John Metzgar** set the pace for the Striders and the masters male division with a 16:22. **Kimberly Patterson** was our top female Strider and won her age group with a 22:01. Our other Striders who won their age groups included **Len Ferman, Dr. Radical, Page Ramezani, Bernie Candy, Sharon Lucie, Kwan Supapan McCall,** and **Norma Wasson.**

Finally, the **Walt Disney Marathon** and associated half marathon happened down in Lake Buena Vista on the 11th of January. **Sharon Lucie** was our fastest Strider with a 3:44:47, which also earned here 4th in her age group, nice job in a big marathon like that. **Steve Lucie** was our fastest male Strider with a 4:16:58. Our other finishers are listed on the results page. The half marathon saw **Janet Lavoie** finish as the first Strider across the line, with a 1:58:57, while **John Bowsman** was our fastest male Strider, only a second

behind, at 1:58:58.

The **Romans Road 5K**, held in Argyle on January 18th, had a good group of Striders in attendance bringing home lots of awards. **Bill Dunn** led the Strider men, with an 18:45 and 1st place in his age group. **Denise Metzgar** was our first Strider woman, winning 1st in her age group with a 19:45. Congratulations also to **Patrick Gaughan, Thom Henkel, Kathy Murray, Roberta Tomlinson,** and **Elenea Etter** for their 1st place finishes within their age groups. Go Striders!

**Striders on the Road** – Two out of town races to report this month. **Jim and Christine Kehr** ran in the **New Year's "Bay" 4 mile run** in Tampa. Jim posted a 35:25 while Christine ran a 43:36. Good post race food and nice t-shirts. It was called the Bay race because it was run over an access road that connects Tampa to Clearwater, the Courtney Campbell Causeway. It sounds interesting. This might not be a great place to race if you are one of those who take 'bathroom breaks' at any convenient tree. Although, if you do that, maybe a lack of 'cover' might not be a deterrent to your bodily needs anyway.

We had three Striders run the **San Diego Marathon** on January 18th. **Frank Sutman** was our fastest at 3:06:41. **John Heisner**, recently off the injured/reserve list, finished in 3:39:07. **Sharon Pentaleri**, led her 4 hour pace group in at 3:59:48.
