

GBRC Partners – Eligibility, Criteria, and Application

Eligibility to Partner with GBRC

In order to be eligible to partner with the Green Bay Running Club, receive cash donations, supplies/equipment and/or assistance with volunteers or promotion, your organization must meet the criteria detailed below. Organizations that do not meet the criteria or who do not complete an application will not be considered.

GBRC Partner Criteria

- Organization supports running, walking and/or physical fitness as well as helps to advance the mission of the GBRC
- Organization serves Brown County
- Organization is not a government entity but can be associated with one
- Organization agrees to have a key representative attend GBRC meetings on a quarterly basis and/or as needed to act as a spokesperson for all efforts supported by the club. The representative should plan to share:
 - updates on behalf of their organization
 - how GBRC funds are being used (if cash donations were received)
 - how the organization is promoting the GBRC through the partnership
- Organization agrees to provide yearly update on organization events and involvement with the GBRC

Partner Application – Review Process

- Partner applications are accepted on a continuous basis and will be reviewed by a GBRC panel
- While applications don't need to be submitted year-after-year by organizations in a partnership with the GBRC, it is expected that yearly changes and updates will be communicated to the GBRC (ex – new point person, updates to how monetary donations will be used, etc.). Additionally, the GBRC reserves the right to review partnerships and applications at any time for alignment to the mission of the GBRC and to the expectations of the Partner Criteria

GBRC Partner Application

Please fill out this application for consideration to be a Partner with GBRC.

Organization Name	
Address	
Website	
Date	

1. Describe your organization's mission.
2. Who will your point person be and what is his / her contact information?
3. How does your organization support the mission of GBRC?
4. If a recipient of a monetary donation, what will your funds be used for and where will the funds be used?
5. What do you hope to achieve through this partnership?
6. How do you plan to promote GBRC through this partnership?
