

NERC January, 2025 Board Meeting: 1/9/25 6:30 pm

In attendance 1/9/25: Leslie, Laurel, Tyler, Patrick, Jim, Kathy S., Randy, Dave K., and Don P.

Laurel wants the Zoom meetings on the website. Second Thursday of each month.

Joseph/Tyler are trained by Patrick.

83 members as of 1/9/25. Patrick reminded everyone about 1/11/25: Live Healthy is allowing a NERC table for a membership drive.

FUNDS: \$9,887 December meeting

\$10,211.09 as of 12/31/24.

Update: \$10,724.09 1/9/25

Waiting on \$1,000 check from Bill. Should be attributed to '24.

Don will work with a CPA named Guy on '24 taxes.

GRAND PRIX: Kathy is starting to email race directors about '25 participation (cost is \$100). Joseph wants to publish the list of GP races earlier.

HOLIDAY PARTY PLANNING FOR '25: Randy/Joseph interested in social posts to possibly survey members. Rankings would determine what to plan for.

INSURANCE: Laurel reports that it has gone up to \$1,444.72. Invoice coming to NERC email or PO BOX. Don is watching for something coming from Road Runner.

SOCIAL MEDIA: Joseph will provide a document to show who has admin rights. Stated that there is confusion from the public on which website is private/public. We pay \$14.99 a year for Homestead. The Driven is giving us a sub-URL? I'm not documenting all these hypothetical costs for the meeting minutes.

Joseph updated the photos on the site. Says there's an opportunity to use more features in the Driven if everyone is open to changing the layout of the website. No objections.

SCHOLARSHIP for 2025: Don will ask Julie to be on the committee again if her son is not eligible. Don will take over as needed if HS coaches need alerted.

OMELETTE RUN seems like it won't happen due to Steve pulling out.

End.
