Trophies for Top Male and Female, Overall and Masters
 Medallions for the top three of each age gender age group, Athena and Clydesdale.
 Names of Heroes (loved ones who have battled cancer) will be along the course.
 Prestin was 10 years old when he was diagnosed with medulloblastoma, an aggressive form of brain cancer. He has battled his cancer with determination and a joyful spirit. This race is in honor of him and all children who are Heroes in the fight against cancer. Race proceeds go towards pediatric cancer research at Riley's Children's Hospital. Pediatric cancer is the least funded cancer research, yet every day 47 children are diagnosed and 7 die from cancer!
