Dear,

We are honored and humbled to be the Honorary Chairs for the 8th Annual Run for Life! 5K race benefitting the LOSS (Local Outreach to Suicide Survivors) Team of Tarrant County at Trinity Park on **September 8, 2018**.

In 2013, we lost our 20-year-old son, Andrew, to suicide. Although we will always grieve our loss and never fully understand the “why”, our Christian faith, friends, and those who share a similar grief have been paramount to our healing. We hope and pray our story will help others in their healing as we commit together to erase the stigma of mental illness so people who need help won’t be afraid to seek it.

Everyone knows someone who has been touched by suicide. We need your **help** to further awareness of suicide prevention and loss.

To this end, we invite you to join us as a **sponsor or community partner** for the 8th Annual **Run for Life! 5K** race benefitting the LOSS (Local Outreach to Suicide Survivors) Team of Tarrant County at Trinity Park on September 8, 2018.

This event is an opportunity to honor those lost to suicide and raise awareness for suicide prevention. The LOSS Team is comprised of volunteers who offer support and resources to people who have lost a loved one to suicide. Mental Health America and the LOSS Team are committed to leading the community in suicide prevention, awareness, outreach and education.

Your support at any level is greatly appreciated. We hope to see you at this year’s Run for Life! If you have any questions or you would like to discuss other ways you can help, please feel free to contact Vorce Perryman at (817) 569-5782.

With sincere appreciation,

Perry, Debbie, Marilyn and Jacquelyn Pillow
