

Stallion Stampede

5K Course

10K Course

Our 5K and 10K courses are certified courses put together by P.A.R.C. (Pearland Area Runners Club) for their annual Monster Dash in October. 5K runners will complete one lap of the course. 10K runners will complete two laps, looping at the inside of the start/finish line. Although we will start closer to the Southwyck golf course club entrance, please plan to meet at Silvercrest and we will direct you to the starting line.
